

COVID-19 **MONMOUTH GOLF CLUB**

General Principles

Members with colds or any symptoms of COVID-19 must stay away from the golf course. All players are to agree the following self-assessment and declaration:

***“I have NOT HAD in the last 10 days any of the following Covid19 symptoms: a continuous high temperature; a loss of taste or smell; a new continuous cough. I also confirm that I have not to the best of my knowledge, had contact with anyone else who has had these symptoms or tested positive for Covid-19.*”**

I also confirm that I nor any other person in my household or extended household have NOT been told to self-isolate and are not currently subject to Covid-19 quarantine after travel or illness. I also confirm that I have not travelled into or away from an area that is currently subject to any form of local coronavirus restriction or lockdown.”

Daily start sheets based on BRS will be produced. Whilst there is no legal requirement any more for a formal track and trace procedure, golfers are requested to check-in with the Clubhouse Manager when proceeding to the first tee so that we can validate our BRS records for course usage.

All food and drink should be ordered at the bar. Food will generally be delivered to the appropriate table by a member of staff. It is recommended that, whenever possible, people use the outside patio area in preference to the clubhouse lounge.

Please use the hand sanitizer provided. Face coverings are to be worn when using the changing rooms. It is recommended that a face covering is worn when moving around in the clubhouse.

Rules for Golfers

Book your tee time via BRS on the club website in advance. Nobody is allowed to play on the course without a BRS booking.

Players should bring their own hand sanitizer for regular use during the round.
